September 12, 2006

## **BOIL WATER ORDER FOR WESTERN HORIZONS RAMONA CANYON RV RESORT**

### ***Test Results Show Bacteria Present in Drinking Water Supply***

The County of San Diego Department of Environmental Health (DEH) has issued a Boil Water Order for the Western Horizons Ramona Canyon RV Resort in Ramona, effective immediately. A water sample collected on September 11 confirmed the presence of total coliform bacteria in the water supply. *E. Coli* bacteria was absent in the sample. Total coliform bacteria can come from soils and other sources in the environment, and can indicate a problem with the water supply system. The Boil Water Order was issued to ensure all water used by the guests is free from contamination. The boil water order will remain in effect until the distribution system has been disinfected and additional samples confirm the absence of bacteria in the water supply.

*For more information on the Boil Water Order, please call Bob Tessier, Manager at 760 788-3085.*
